Past Event Report

About Past Event:

Palliative Care Conference 2024

Scientex Conference successfully hosted its first series on the "International Conference on Palliative Care and Hospice Nursing" at City Seasons Dubai Hotel, Dubai, UAE during May 25-26, 2023. The conference was organized with a theme focused on "Improving the Quality of Health in Palliative Care and Hospice Nursing" and it was a great success where eminent keynote speakers and plenary speakers from various universities addressed the gathering.

The generous response and active participation of the Organizing Committee Members played a major role in the success of Palliative Care and Hospice Nursing 2023. On another hand, we take the opportunity to thank all the speakers, delegates, and participants for providing their valuable support and time for the conference.

Palliative Care 2023 organizing committee would like to thank the keynote speakers, plenary speakers, delegates, and young researchers for making the sessions such a worthwhile experience. Also, would like to thank the Moderator of the conference, Dr Elham Hamid Ghabashi, East Jeddah Hospital, KSA, and Dr Martha Mbewe Mwelwa, University of Zambia, Zambia who contributed a lot to the smooth functioning of this event.

We are broadening the scope of Palliative Care 2023 to include all facets of the field, including palliative care, hospice nursing, curative care, nursing care, neonatal and maternal, bereavement, grief and loss, pediatric palliative care, midwifery, palliative care in oncology, palliative care for various diseases, women's health, oncology, etc. To push the boundaries of palliative care, our organizing team is preparing for a more creative and exploratory program. You will get the chance to talk about and react to a number of inquiries regarding the status of advanced palliative care approaches thanks to your skills and knowledge in the fields of palliative care and hospice nursing.

With the grand success of Palliative Care and Hospice Nursing 2023, we are glad to announce our next upcoming conference

"2nd International Conference on Palliative Care and Hospice Nursing"
Bangkok, Thailand | May 16-17, 2024

We anticipate your cordial presence, active participation, and support in helping to make this event a success once more. We are pleased to once more extend a warm invitation to our next Palliative Care 2024 conference!

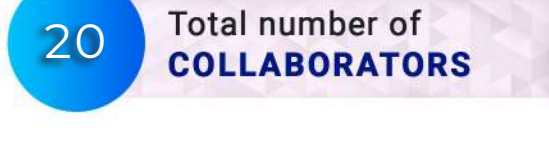

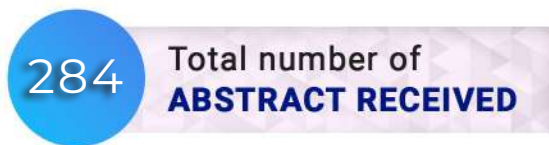

Palliative Care Webinar 2024

Scientex Conference successfully hosted its first series on the "International Webinar on Palliative Care and Hospice Nursing" on June 01-02, 2023 as per the time zone GMT+4. The webinar was organized with a theme focused on "Improving the Quality of Health in Palliative Care and Hospice Nursing" and it was a great success where eminent speakers from various universities addressed the gathering.

The generous response and active participation of the Organizing Committee Members played a major role in the success of Palliative Care and Hospice Nursing in 2023. On another hand, we take the opportunity to thank all the speakers, delegates, and participants for providing their valuable support and time for the conference.

Palliative Care 2023 Organizing Committee would like to thank all the participants for making the sessions such a worthwhile experience. Also, we would like to thank the Moderator of the conference, Dr Shivani Verma, Safdarjung Hospital, India who contributed a lot for the smooth functioning of this event.
